

Our retail labour rates are shown below for certain specific jobs and general hourly rate work. If you require any services not shown here please contact us, whereupon a member of our team will be able to provide an estimate for the service you require. We operate throughout North Cheshire, Greater Manchester, Merseyside and South Lancashire and our charges are split into Post Code locations dependant upon the distance from our operating base. Although we do not charge for time spent travelling this obviously needs to be factored in to our costings as it does represent a substantial part of our working day, hence our charges as shown are dependent on two coverage zones and these are represented by the following post code areas:

Zone 1 covers the following Post Code areas.....

BOLTON & BURY; BL1/2/3/4/5/6/7/8/11/78.

Please do not hesitate to contact us should you require our services at a property outside the above geographical areas whereupon we will be please to advise an approximate cost.

NOTES: PLEASE BE AWARE OF THE FOLLOWING RELATING TO THE ABOVE CHARGING STRUCTURE.....

- #1 The above cost of an electrical condition report is for a standard domestic property of up to four bedrooms with a maximum of three floors (including cellar and ground floor). Please contact us for an estimate if your property is larger than this.
- #2 The above cost of a legionella risk assessment is for a standard domestic property with up to three bathrooms. Additional charges will be incurred for properties with; additional bathrooms, air conditioning, swimming pools and/or steam rooms etc. Please enquire for further details.
- #3 You will not incur any labour charges for time spent collecting materials for your job should these be necessary, although it will usually speed up the completion of your job if our engineer is able to collect such materials during the course of your job, in which case his time will be chargeable as part of your job at the rates shown above. Please refer to the link above for full details.

YOUR ALLOCATED ENGINEER WILL PROVIDE AN APPROXIMATE ESTIMATE OF COSTS INVOLVED ONCE HE HAS ATTENDED AND MADE AN INITIAL ASSESSMENT OF YOUR SITUATION. PAYMENT MUST BE MADE IN FULL UPON THE COMPLETION OF WORK AT WHICH POINT YOU WILL BE PROVIDED WITH AN INVOICE WHICH WILL CLEARLY SHOW THE TIME SPENT AND MATERIALS UTILISED IN ACCORDANCE WITH THE ABOVE PRICING STRUCTURE. **THERE WILL BE NO HIDDEN EXTRAS.**

PAYMENT MUST BE MADE TO THE ENGINEER WHO WILL TAKE CASH, CREDIT, DEBIT CARD OR CHEQUE (PLEASE NOTE OUR ENGINEER IS ONLY ABLE TO ACCEPT UP TO £250.00 CASH OR CHEQUES UP TO THE VALUE OF £500.00). WE MAKE NO ADDITIONAL SURCHARGE FOR PAYMENT BY CREDIT CARDS OR ALTERNATIVELY PAYMENT MAY BE MADE BY BANK TRANSFER OR PAYPAL. A RECEIPT WILL BE GIVEN IN ALL INSTANCES.
